# Applied Research Center Student Newsletter

## Lab Visitors

Undergraduate students from Ohio University took a tour of the labs of William and Mary at the Applied research Center on April 11, 2008. The students were introduced to the Hirox, AFM, and SEM.

Amy gave a tour of the William and Mary Labs to Michael Prior a future student employee.

## Lab Visitors

The William and Mary Mason School of Buisness came to the Laboratories at Jefferson Labs Applied Research Center to visit the William and Mary Labs and understand in a scientific and business sense how the Labs operate.
